

DEATH OF MRS. LLOYD.

Former Lady of Archer Passed Away At Her Home in Cordele, Ga.

Archer, Jan. 3.—The many friends of Mrs. Annie L. Lloyd, nee Smith, were greatly shocked today when a telegram was received by Mrs. C. W. Bauknight conveying the sad intelligence of her death at her home in Cordele, Ga. The interment will be at Jacksonville tomorrow, the 4th.

Mr. Lloyd and Miss Annie Smith were married in Archer on the 7th of last April and made their home in Cordele, where they had a lovely home, which is now broken.

The sympathy of the community goes out to the bereaved husband and brothers and sisters.

The Mill and Factory Sale.

The big store of George W. Hyde will be closed today, on account of the big mill and factory sale which will begin at this store tomorrow. Shepherd Watson, the representative of the big Mill and Factory Syndicate of New York, has arrived, and today will arrange the immense display of goods which has preceded him in a striking manner, so that all may see the values.

It will be remembered that Mr. Watson was here in June of the past year, when at the store of Mr. Hyde he conducted a big mill and factory sale. At this sale there were hundreds who satisfied their wants for first-class goods at factory prices, and everybody was happy at the bargains they received. Mr. Watson is here for the purpose of offering the same bargains, and it is needless to add that he will enjoy, with Mr. Hyde, a fine and deserving trade.

At 9 o'clock sharp Friday morning the big store will be open and ready for business, and those looking for the real thing in bargains will feel like kicking themselves if they do not take advantage of the sale.

McMillan—Milliner.

It is reported that Harry McMillan and Miss Alice Milliner, both of this city, were married in Tampa on Christmas day. While nothing authentic could be learned, it has been a general rumor for several days, and The Sun has deferred making mention of the fact until something authentic could be learned. However, as the rumor has become almost general, the announcement is made, and the friends of the popular contracting parties will offer congratulations.

Miss Milliner is one of Alachua county's efficient teachers, having in charge the destinies of the Montecocha school. Mr. McMillan is in the employ of the Southern Express Company, being one of the company's most trusted and valued men.

It is not learned yet where Mr. and Mrs. McMillan will make their future home.

A Grim Tragedy

Is daily enacted in thousands of homes, as death claims, in each one, another victim of consumption or pneumonia. But when coughs and colds are properly treated, the tragedy is averted. F. G. Huxley of Oaklandon, Ind., writes: "My wife had the consumption, three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, coughs and colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One nose relieves. Guaranteed at 50c and \$1.00 by all druggists. Trial bottles free.

Beshea—Seagle.

The numerous friends of J. S. Beshea and Miss Georgia Seagle will learn with probable surprise and pleasure that these popular people were united in the holy bonds of matrimony at Palmetto a few days ago, and that they have returned to Gainesville and will be at home to their friends, 400 East Main street, N.

Mr. Beshea is one of Gainesville's most widely known and most popular young men. He has been for several years in the employ of the Seaboard Air Line office at this point, and is popular among his friends. The bride is also well and favorably known here, having friends by the score.

To Mr. and Mrs. Beshea The Sun, with all friends, extend sincere greetings, with best wishes for a long and happy wedded life.

Imperfect Digestion

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50 cents a bottle. Sold by W. M. Johnson.

REFORMATORY IS FAVORED.

Carolina Penitentiary Directors Make Their Report.

Raleigh, N. C., Jan. 4.—The penitentiary directors this evening filed their report with Governor Aycock showing a net surplus of \$120,000. Included in this is \$60,000 of penitentiary debt bonds which were purchased by the directors.

The other assets, consisting mainly of cotton, are estimated at the present market value, several crops being left out of the estimate, so as to offset any further slump in cotton. But for the slump the surplus would have been \$150,000. The directors state they recommend that \$50,000 of the debt bonds they hold be directed to the establishment of a reformatory for young criminals. The governor approves this recommendation.

Do Not Suppress a Cough.

When you have a cough do not try to suppress it, but remove the cause. The cough is only a symptom of some disease, and that disease is what you should cure, then the cough will stop of itself. The most common cause of coughing is a cold. Anodynes will promptly suppress the cough, and preparations containing chloroform, opium, etc., are used for that purpose, but they do not cure the cold. Chamberlain's Cough Remedy on the other hand does not suppress the cough, but relieves it by removing from the throat and lungs the mucus which obstructs the breathing and allaying the irritation and tickling in the throat. It also opens the secretions and effectually and permanently cures the cold as well as the cough. For sale by all druggists.

Better Prices for Tobacco.

Nashville, Jan. 4.—Higher prices being received now for tobacco in the dark tobacco district of Tennessee and lack of which Clarksville, Tenn., is the central point, and the planters attribute this to the organization which was formed some months ago. Members of this organization will not, under any circumstances sell this tobacco to what they term the tobacco trust. At a meeting at Clarksville nearly one million pounds of tobacco was pledged to the Planters' association. Many planters are holding for still higher prices.

Spoiled Her Beauty.

Harriet Howard of 20 W. 35th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had salt rheum, or eczema, for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. Twenty-five cents at all druggists.

A Mean Insinuation.

Towne—There goes Slopsy. He must be in debt again. Browne—Why, he looks quite prosperous. That suit of his is quite new. Towne—Yes, that's why I say he must be in debt.

We regret the low voices of those who pay us compliments almost as much as we regret the high voices of those who abuse us.—Arlington Globe.

Sickening Shivering Fits

Of ague and malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to quinine, having none of this drug's bad after effects. E. S. Mundy of Henrietta, Tex., writes: "My brother was very low with malaria fever and jaundice, till he took Electric Bitters, which saved his life. At all druggists. Price 50c, guaranteed."
